## PROVIDING THE RIGHT SOLUTIONS

## ONLY THE HIGHEST QUALITY BUSINESS & PUBLIC SAFETY COMMUNICATIONS SOLUTIONS.

Established in 1947 as **Rio Radio** and trusted as the premier two-way radio provider for the Rio Grande Valley - **Mobile Relays** continues the tradition. Our team continues to maintain a reputation for excellence by providing high quality products and innovative communication solutions. We are wireless experts dedicated to helping you make smart communications choices.

### INTEGRITY, QUALITY, VALUE, RELIABILITY.

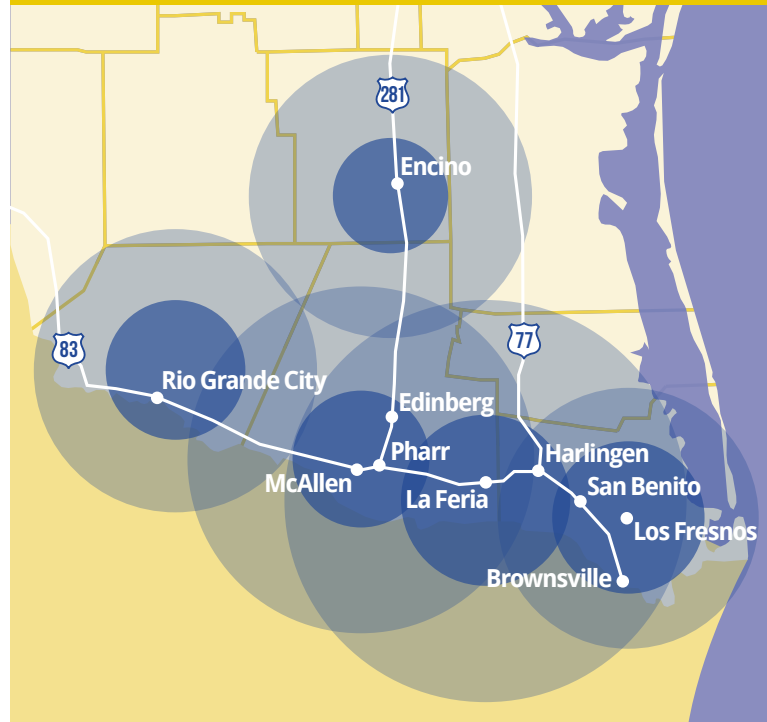

These are the core values Mobile Relays is built upon. These values continue to be the driving force behind our successful and sustainable growth.

**Mobile Relays is an Authorized JVCKENWOOD USA Dealer** for their commercial / industrial and public safety products. We provide communications for government, petrochemical, hospitality, utility, manufacturing and fleet customers. All our customers receive our design expertise, quick turn-around repairs, fair pricing on the most popular brands and the most extensive commercial digital radio network in the Valley.

### WE HAVE THE ACCESSORIES YOU NEED

Enhance the performance of your two-way radios with the right accessories. From noise canceling headsets to high-capacity replacement batteries, Mobile Relays stocks the most popular products and we can source anything else through our trusted suppliers.

▶ PRICES START AT **\$19.95/MONTH**

The StarNet NEXEDGE Digital Wide Area SMR Network offers the best two-way radio coverage in the Rio Grande Valley. We offer a digital PTT solution, a carrier-based GPS alternative and text messaging. The combination of the Mobile Relays StarNet Network and KENWOOD NEXEDGE™ radios is your insurance of reliable Push-To-Talk (PTT) voice coverage throughout the Valley.
